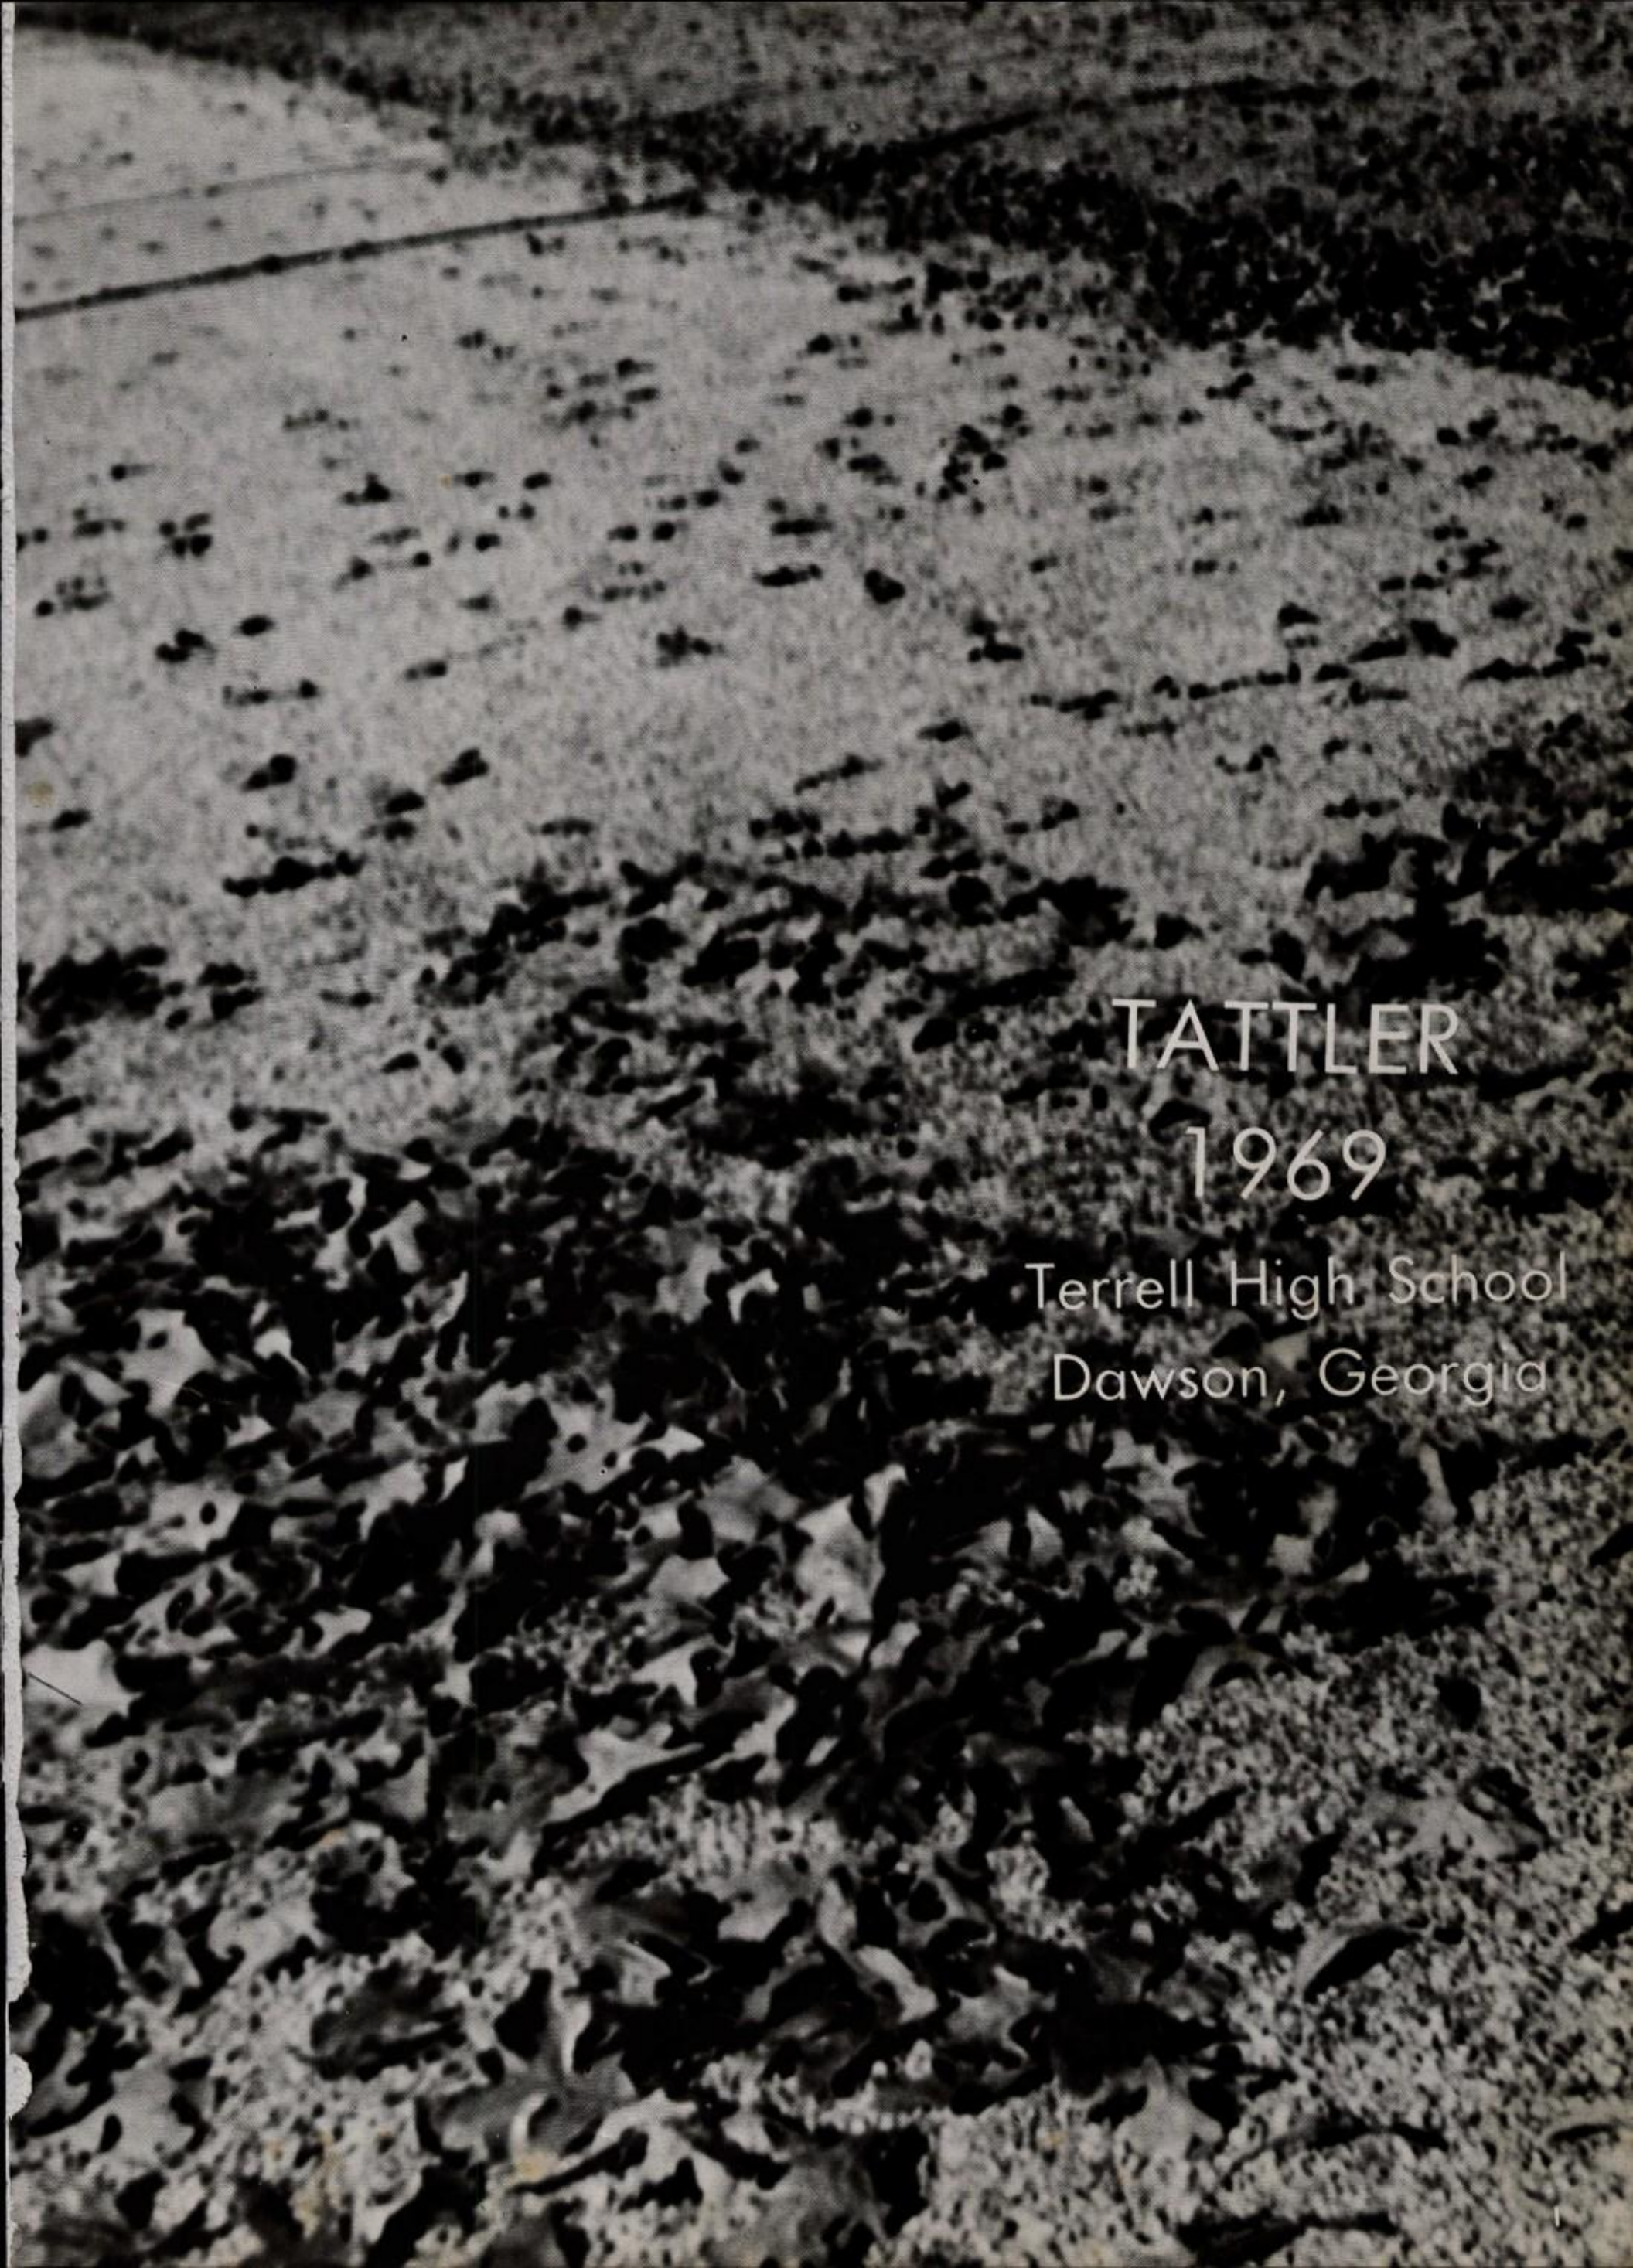
Hi! A of



TATTLER

1969

Terrell High School

Dawson, Georgia

From registration to final exams 1968-69, at Terrell High School was a memorable year. Eager to renew old friendships, but not so eager to resume classes, students returned from the "shortest summer ever" to begin the school year.

After the first week of confusion subsided, the year began to progress smoothly. The days flew by, and with them many experiences. All the students remember the wild excitement of the first touchdown of the season, the casual moments of conversation with friends, and the countless hours of study both in and out of classes.

As the school year drew to a close, the students began looking ahead to future years, but memories of the past were not pushed aside. When phrases such as "Remember how we used to ..." occur in conversation, the 1968-69 school year at Terrell High School will be relived many times.

Great Auth

Dedication

We, the 1969 Tattler Staff, would like to dedicate our yearbook to a teacher that has given more time to us than any other teacher. She first taught most of the Seniors reading in the sixth grade and followed us through the ninth grade teaching us both reading and English. In those four years, she gave generously of her time and wisdom to help us in any way possible. Words are a poor substitute with which to express our sincere respect and admiration for her.

For the knowledge, inspiration, and dedication you have given us, Mrs. Spurlock, the 1969 Yearbook Staff dedicates the Tattler to you.

Alma Mater

From the plains of Terrell County
Beams a noble brow
And the sons of Terrell High School
Pledge a sacred vow:

Terrell High School we will honor,
True and loyal be
Ever crowned with praise and glory
Terrell, hail to thee!

Though the years around us gather
Crowned with love and cheer
Still the memories of old Terrell
Grow to us more dear.
